@HEREARTS

Welcome!

Thank you for coming to *The Smartest Kids on Earth: Taught by Mr. Fox*, a SubletSeries Co-Op presentation. This program provides artists with discounted space and equipment, as well as technical support.

HERE also supports the work of artists at all stages in their careers through our HERE Artist Residency Program (HARP), which develops and produces the work of our 10-13 resident artists, and Visiting Artist presentations for adult and family audiences. Please check out our other performances and events at HERE.org.

Like all the work at HERE, this SubletSeries Co-Op presentation was curated based on the strength and uniqueness of the artist's vision.

We hope to see you HERE again soon.

Best,

KRISTIN MARTING
